Comprehension Focus Group Intervention - Level 1

Comprehension Focus Groups (CFG) are designed for students in third through secondary level grades who need to learn how to consistently use knowledge of text structures in order to read for a specific purpose and to convey an appropriate message in writing. Writing that meets CCSS, standardized writing on demand assessments and alignment to classroom instruction will be covered in the level 1 training sessions.

Bring required text: *Teaching for Deep Comprehension* by Dorn & Soffos, 2005 and a laptop for Internet access.
