# Guided Reading Plus Intervention - Level 2

The Level 2 Guided Reading Plus training is intended for participants who are familiar with all 3 phases of the updated Guided Reading Plus Intervention. For this consecutive 3 week training, participants will further their understanding of responsive, intentional lesson unit design for students reading in text reading levels C-M. Furthermore, participants will learn what bridging Guided Reading Plus looks like between and among other literacy interventions used in the Comprehensive Intervention Model (CIM).

Bring required texts: *Interventions That Work* by Dorn & Soffos, 2012 & *Apprenticeship in Literacy* by Dorn and Jones, 2012.
