

## **Comprehension Focus Groups: A Responsive and Engaging Literacy Intervention for Middle School Students**

Literacy intervention at the middle school level must be responsive to student academic and motivational needs.

Participants at this session will be provided with lesson plan and video examples, of how two teachers aligned the Comprehension Focus Group (CFG) to student needs. Student achievement data will be shared as evidence of success!

Presented by:

Jill Johnson- Reading Interventionist and Melissa Whitmore- Special Education Teacher  
(School District of Belleville)
